GREETINGS!

Your membership in the Sons of the American Legion Squadron #347 is about to expire at the end of December 2025. As you know, membership is the lifeblood of any organization. Your membership dues contribute to the many programs our Squadron sponsors and help to keep our membership growing. Your continued membership and involvement are very important to our continued success as an organization.

Our membership has grown to 1,111 this past year! During the year we contributed over **\$112,000** to many organizations including local scholarships, Little League, FL Children & Youth organizations, The Special Olympics, local food pantries, and several Veteran organizations throughout the area. You can offer your input at our monthly meetings held the third Wednesday of each month, starting at 6:00pm, at our Legion Post in the main hall. Sons volunteers cook and serve meals 3 times per week as both a fundraising and social opportunity, and we always need volunteers to help this succeed. If you are interested in volunteering, please check **"YES"** on the form and a member will contact you with various opportunities.

**We've been able to avoid a dues increase for many years by asking members who feel they can help with an extra contribution to do so. We'll even send you a small gift with your new membership card. Thank You so much for your willingness to help in this extra way; last year's donations were over **\$2,500!****

**PLEASE INCLUDE YOUR EMAIL ADDRESS SO YOU CAN RECEIVE OUR ELECTRONIC MAILINGS**  
**If You Have Already Renewed for 2026, Please Disregard This Letter**

Thank you in advance,

Danny Roe, Commander 2025-2026
